## RETURN OF POTATOES BOUGHT FOR HUMAN CONSUMPTION

To the buyer whose name and address appears overleaf.

### Section 1: Use of Information

Under the Agriculture and Horticulture Development Board Order 2008 ("the Order"); if you are required to pay levy as a Potato Buyer, you must notify the Agriculture and Horticulture Development Board (AHDB) each month of your tonnage purchases of potatoes using this return form.

The tonnage information in Part 1(a) will be used for calculating the levy payable under the Order. This will be invoiced quarterly, in arrears, and will fall due on 31 December, 31 March, 30 June, 30 September.

The monthly tonnage and stock information will be used by the AHDB Potatoes for collecting and formulating statistics.

**N.B: It is in your interest to submit the return promptly, in order that levy can be charged at the normal rate on the true tonnage. Otherwise the tonnages will be estimated by AHDB, based on information in its possession and invoiced at a higher rate.**

### Penalties:

It is an offence under the Order to fail to complete the return, or to give false or misleading information. AHDB has the power to make estimates where no proper return has been submitted. You will then have 28 days to provide a return, or the estimated levy will become payable. In either case the higher levy rate will apply.
