

Agriculture and Horticulture Development Board Order 2008
Voting in a Ballot on Continuation of the Potato Levy
Guidance Note

- 1 This Guidance Note provides information on how to vote in a ballot on whether the potato levy should continue. It is intended to help you establish if you are entitled to vote and, if so, the balloting process.
- 2 The latest versions of this Guidance Note, and a similar Guidance Note on requesting a ballot, are published on AHDB's website at www.ahdb.org.uk/about/Ballot.aspx. The version current at the relevant time will be applied.

Background

- 3 The Agriculture and Horticulture Development Board Order 2008 (the Order) provides for eight levies. They relate to pigs, cattle, sheep, milk, horticulture, potatoes, cereal and oilseeds.
- 4 The Order permits AHDB to hold a ballot on whether the potato levy should continue.ⁱ
 - 4.1 The Order sets out who is entitled to vote (see paragraph 5 below).
 - 4.2 Ministers are not bound by the results of a ballot.ⁱⁱ

Categories of voters

- 5 In relation to the eight levies, 14 voters and categories of voters are set out in the Order.ⁱⁱⁱ
 - 5.1 There are two categories of voters for the potato levy:
 - Any person^{iv} who pays the potato grower levy;
 - Any person who pays the potato buyer levy.
- 6 This Guidance Note VW is intended specifically for persons eligible to vote in a ballot on the continuation of the potato levy.
 - 6.1 It includes the following annexes:
 - Annex 1 – Ballot paper VW for voting in a ballot on the continuation of the potato levy
 - Annex 2 – Identity Form V for payers of potato buyer levy
 - Annex 3 – Identity Form W for payers of potato grower levy

Information on the use of these is provided below.

ⁱ Article 11 of the Order.

ⁱⁱ Article 11(7) of the Order.

ⁱⁱⁱ Article 12(1) of the Order.

^{iv} Throughout this Guidance Note, 'person' includes individuals and businesses, as appropriate.

Guidance on voting in a ballot

- 7 **You may vote^v in a ballot on whether the AHDB potato levy should continue if you can show that you qualify by being a member of at least one relevant category of voters (see paragraph 5 above) in the twelve calendar months preceding the ballot.^{vi}**
- 7.1 For example, if you pay potato grower levy at any time in those twelve months, you may vote in relation to a ballot about whether the potato levy should continue.
- 7.2 You may only vote once in relation to the potato levy, however many categories of voter apply to you.
- 7.3 If you are entitled in relation to more than one levy, you may vote in ballot(s), if called, about any or all of those levies.
- 8 The Order provides that AHDB may hold separate ballots in relation to an individual levy for different categories of voters.^{vii}
- 8.1 AHDB does not intend to hold separate ballots for different categories of voters. However, to assist Ministers to consider the results of a ballot, it will provide them with a breakdown of the voting by categories. You may therefore indicate (on separate Identity Forms – see below) which category or categories of a levy apply to you.
- 8.2 Identity Form V applies to the category ‘payers of potato buyer levy’.
- 8.3 Identity Form W applies to the category ‘payers of potato grower levy’.
- 9 **Ballot papers will be available from AHDB’s Ballot Officer** (see paragraph 16 below), or by being downloaded from www.ahdb.org.uk/about/Ballot.aspx, as well as being annexed to this Guidance Note.
- 10 **You must complete and sign an Identity Form. You must:**
- **provide your contact information** (name; business name, if appropriate; address; and, if possible, a telephone number and email address);
 - **provide sufficient documentary evidence of your qualification** (see paragraph 7 above) to vote as a member of each relevant category of voters with the request (eg a copy of your most recent levy invoice or levy deduction receipt) (if you do not provide sufficient evidence with the request, AHDB will request you to do so within a specified period); and
 - **sign your request,**
- or your vote will be disqualified.***
- 10.1 You should use Identity Form V if you are a payer of the potato buyer levy and Identity Form W if you are a payer of the potato grower levy.
- 10.2 If both categories apply to you, you may choose to complete either Identity Form so that your identity can be confirmed.
- The members of different categories may have different opinions about the continuation of a levy. If you wish to assist Ministers to consider the results of the ballot as they apply to the individual categories, you must complete both Identity Forms (V and W).

^v Article 12(3) of the Order sets out that a partnership has a single vote.

^{vi} Article 12(2) of the Order.

^{vii} Article 12(4) of the Order.

- 11 Ballot paper VW bearing your vote must be placed in an envelope marked 'Ballot Paper VW' and bearing no other mark.
- 11.1 That envelope, together with completed and signed Identity Form(s) V and/or W and evidence of your entitlement to vote, must be placed inside an outer envelope and posted to or handed in for the Ballot Officer at the address in paragraph 16 below so as to be received not later than the closing time of the ballot. Failure to satisfy these requirements will disqualify the vote(s).
- 11.2 If the votes of more than one voter are contained in any outer envelope, it must be clear which ballot paper belongs to which Identity Form(s) and supporting documentation (without any additional mark on the envelope marked 'Ballot Paper VW' described above), for example by enclosing each set in an envelope. If this is not clear, all unclear votes will be disqualified.
- 11.3 If you are eligible to vote in more than one ballot, your votes for each ballot must be sent in separate outer envelopes.
- 12 **Voting papers must be submitted by hand or by post to the Ballot Officer.**
- 12.1 **Your vote must be received fully completed by the date and time stated on the ballot paper. Delivery must be by post or by hand – papers submitted electronically will be disqualified.**
- 13 If you breach any of the balloting rules, your vote will be disqualified.
- 13.1 AHDB will check the eligibility of voters and ineligible votes will be disqualified. AHDB may use its levy records and any other available information to establish whether you qualify.
- 13.2 An independent person will oversee the determination of the result of the ballot.

What happens next?

- 14 AHDB will publish the result on its website.
- 15 The Order requires the results of a ballot to go to relevant Ministers for consideration.^{viii}
