

Seminars: "The goals and principles of EuroDairy"

03 March 2017

2017 Started well in Poland with 2 seminars about the main principles of EuroDairy. 15 January 2017 consortium member Piotr Stypinsky gave an interesting lecture at Warsaw University during the meeting of the Polish Grassland Society. About 30 farmers, students and advisors were present in the room.

One week after (22 January 2017) consortium member Piotr Stypinsky EuroDairy was the main topic of discussion during a meeting of the Polish Society of Agronomy within the Pulawy Soil Science and Tillage Institute.

Would you like to receive the presentations or recordings of these seminars? Please contact: Piotr Stypinsky (University of Warsaw).

Research Themes

EuroDairy drives the engine of innovations on 4 main themes at dairy farms: animal care, biodiversity, resource efficiency and socio-economic resilience. Find more info on these dairy topics here!
