

# Collaboration between Operational group Smartfeed and Estonian Dairy cluster

+ 13 November 2018

A recent Agri innovation newsletter featured one of EuroDairy's operational groups in Finland, Smartfeed, and their collaboration with Estonian Dairy cluster. The collaboration is focusing on technologies to improve animal health. For more information on this collaboration please see page 5 of the newsletter, [available here](#).

## Research Themes

EuroDairy drives the engine of innovations on 4 main themes at dairy farms: animal care, biodiversity, resource efficiency and socio-economic resilience. Find more info on these dairy topics here!
