\*CC = Common Catalogue. These varieties are being tested under UK conditions and to the UK National List protocol to give data that are comparable with UK entered varieties. They are either being tested or have been tested for National Listing in another European state and must be listed on the EU Common Catalogue before appearing on the HGCA Descriptive List.

The HGCA Recommended Lists are managed by HGCA on behalf of a consortium comprising AHDB, BSPB, nabim and MAGB. HGCA is a division of the Agriculture and Horticulture Development Board.
