Exports

These quotes are from actual free-buy trades collected by a weekly telephone survey of buyers, growers and merchants on a Wednesday and Thursday.

They give an indication of the range of prices achieved in the past week.

Any *underlined and italicised* prices are based on a smaller sample and will only display the median value. n/q = no quotes in last reported week.

[For further information on what these prices mean and how they are calculated, please click here.](#)
